## NEWS UPDATE FROM THAI AIRWAYS

In our effort to improve our check-in services at KLIA, we would like to request that all passenger passport details to be added in the booking reference during reservation.

As a reminder, please ensure passenger's telephone / email contact enroute are also advised and up-dated in the respective booking reference. This would allow for pre-flight checks and avoid high no-show.

For further information on the above, please contact our network of branches at your convenience.
